### About the Course

The outbreak of COVID 19 has resulted in a paradigm shift in education. Online classes are the need of the hour to sustain our education system, especially in the wake of the outbreak of the pandemic. The 21st century has been rightly termed as the digital era. With the internet bringing a substantial change in human life, we are heavily dependent on the usage of technology to even complete simple tasks. The e-education has certainly ignited the teaching sector. This two-week e-course on '**LEARNING TO TEACH ONLINE**' aims to develop those skills among teachers which are very much required for their personal and professional development.

#### Objectives

- To acquaint the participants with the nature & concept of e-resources.
- To familiarize with various apps, softwares and tools for developing audio & video e-resources.
- To give insight in the process of developing audio and video e-resources.
- To develop competencies related to design, develop and deliver audio & video e- resources.

**E-Certificates will be provided after successful completion of course.**

Pre-requisites: Laptop/ Desktop/ Smartphones with good Internet Facility.  
In case of any query, mail at [devsamajtlc@gmail.com](mailto:devsamajtlc@gmail.com), [www.devsamaj.org](http://www.devsamaj.org)

**Duration** - Two week long

**Mode** - Asynchronous

**Subject** - Education and Teaching

**Difficulty level** – Introductory

**Credit** - Certificate of Completion

## Note:

### Asynchronous online teaching

Teaching materials will be posted online, and learners work through them in their own time, communicating with each other and the teacher via discussion forums, or even by email. The learners can work at their own pace and at times of day which are convenient for them. There may still be deadlines for quizzes and assignments to be submitted for feedback, and there may be a recommended schedule for students to follow so that they have some idea of what they should be doing and when.

Hope you will enjoy the course!!

Happy learning and stay safe!!
