OUR ACCOMPLISHMENTS – Points of Pride

THE PRIME MINISTER DR. MANMOHAN SINGH MEETS THE SILVER JUBILEE BATCH

The Prime Minister, the students of the silver Jubilee batch of Dev Samaj College of Education, the banquet hall, the modesty of the elected head of the state created history of sorts on the early afternoon of 28th September, 2006 when Dev Samaj college of education became the first college of Education of Punjab University to be honored with an audience with the Prime Minister **Dr Manmohan Singh**. The College students had also met the **President Shri APJ Kalam** in December 2005.

Dr Mrs. Satinder Dhillon, Principal and members of staff headed the delegation of the students. Dr Mrs. Satinder Dhillon said that as a part of

the ongoing silver Jubilee celebrations, the college had taken this initiative for the Silver Jubilee batch. The privilege bestowed upon us by the Prime Minister was an acknowledgement of the work the college had been doing for this region for past 25 years. The visit became more profound as the theme for the Silver Jubilee year is Assurance of Quality in Teacher Education.

The Prime Minister appreciated and acknowledged the rich values and traditions of Dev Samaj and congratulated Dr Mrs. Satinder Dhillon, Principal for carrying on and preserving the legacy of Dev Samaj.

In a 15 minutes interactive session with the future teachers of Dev Samaj College of Education, the Prime Minister Dr Manmohan Singh answered many of the prospective teacher's questions.

By referring to his experiences as a teacher and an economist, he addressed the prospective teachers to acquire this profession with utmost sanctity and work for the social welfare as a whole. He called himself an 'Accidental politician' and recalled his teaching days as the happiest and creative time of his life.

Expressing his views regarding the rising expense of higher education, he said that the fee structure is adequately proportional to the facilities provided to the students. In the context, the universities are adding more and more to their infrastructure for ensuring better education to the youth.

And when asked for tips of being a good teacher, he said that self-analysis, reflection, integrity and commitment towards the profession were the basis of becoming an effective teacher. He further suggested, teacher should be both respectful and respectable as they are the nation builders.

When asked to recall and share his experiences as student, The Prime Minister charmed the prospective teachers by saying all his days as students here in Punjab University and abroad had been wonderful and enriching.

The ordinariness of this **extraordinary person** is what the prospective teachers carried back home. The delegation was totally immersed in Prime Minister's humbleness, brilliance, intelligibility, unassuming persona, and his profound and insightful words have now become the mantra of this Silver Jubilee batch, the words which no doubt would inspire the future teachers to **teach the future**.

SMT TARA GANDHI, GRAND DAUGHTER OF MAHATMA GANDHI ADDRESSED THE STUDENTS

It was proud privilege of the institute and a great honour to have Smt Tara Gandhi, granddaughter of Mahatma Gandhi address the student's .In her brilliant discourse of 30 minutes she reminisced the time she spent with her grand father, and her father the youngest son of Gandhi ji. She shared with the audience a few incidents of her life with Gandhi Ji and Kasturba Gandhi. Smt Tara Gandhi mesmerized the gathering with her charm and words.

JOINT ADMISSION FOR B.ED FOR THE THREE UNIVERSITIES

It was our proud privilege when in our silver jubilee year **Dr Satinder Dhillon** was appointed the coordinator for the joint counselling admission for B. Ed for 2006 – 2007, hosted by the Punjab University, the three universities for Punjab University (41), Guru Nanak Dev (33) and Punjabi University (41) for 114 colleges. The total number of students admitted was around 15000. The college staff along

with the staff from Government College of Education and Punjab University made this counseling possible and a success. The college had been a host Joint admission in 1999 – 2000, 2000 – 2001 and 2005-2006

PRODUCTIVE LEARNING EDUCATION BEYOND THE ORDINARY - DISTINGUISHED LECTURE SERIES AND VISITORS PROGRAM

As part of the on going Silver Jubilee Celebrations of Dev Samaj College of Education, Dr Mrs. Satinder Dhillon initiated a proactive forum where distinguished International & national visitors visited and interacted with the students & faculty.

The distinguished *Lecture Series* - a forum for high-level regional, national and international leaders and policy makers to share their knowledge and perspectives on issues related to education. Eminent speakers and leaders who approach education from a diverse range of perspectives, delivered lectures and discussions throughout the Silver Jubilee year under this forum. This dynamic forum aimed at providing scholarly and intellectually engaging opportunities for prospective teachers. The Lectures spanned a wide range of topics and subject areas, and they were intended to promote life-long learning by teachers at all the levels.

The Silver Jubilee distinguished visitors & speakers for the academic year 2006 – 2007 ranged from eminent educationist to visiting dignitaries from South Asia and Europe.

As part of the on going initiative of DEV SAMAJ COLLEGE OF EDUCATION of “Working Together To Build A Community Of Responsive South Asian Educators ” Ms. Gulmina Bilal from Islamabad, Pakistan visited the college and interacted with the members of the staff. The meeting was attended by staff members of the Dev Samaj College and chaired by Dr Mrs. Satinder Dhillon, Principal stated that education in South Asia can contribute conducive towards creating a culture of peace. She stated that such interactions and initiatives aimed at the need of intellectual interaction of the education faculty and civil society of both nations to provide a congenial platform and facilitative environment for collaborative work assignments for walking towards an enhanced future.

Ms. Gulmina Bilal while sharing the views with the members of the staff stated that the visit had reiterated “my faith in education that presents a broader worldview and does not rely on ethnocentricity as imperative for peace initiatives to become a process between the two countries. “ She stated that the inevitable economic interdependence has to be substantiated with positive interactions and deliberations in education amongst change agents and multipliers. She declared that in her view the Dev Samaj College of Education consists of individuals who are responsive to the students & society's needs. They do not consist of teachers who blindly teach to an increasingly lost society about increasingly lost times.

Ms. Bilal appreciated the efforts, which are being made to promote the ownership for the peace process within the faculty of education and

create a network of Indian and Pakistan educators. Ms. Bilal designed a number of political advocacy campaigns and also penned a report documenting the experience of women parliamentarians titled, `` Women Parliamentarians: Swimming against the tide'' She also prepared a documentary that traced the political contribution of Pakistani women titled, `` the journey of Pakistani women through politics.''

Distinguished Speaker for the Month of October 2006 – Dr Gunther Rautz, EURAC, Bolzano, Italy

The distinguished speaker for the month of October was Mr. Gunther Rautz, researcher, EURAC Research, Italy who spoke on Minorities in European Union. In his presentation Mr.Gunther, highlighted the minorities in European Union as said that in the absence of a concrete definition of “minority”, it is taken as a community that differs from majority with respect to language, culture, sex ratio etc. This minority is deprived of legal identification, rights and privileges enjoyed by all. He highlighted the work being done in Europe for the fulfillment of a vision to bring about democracy and eroding the very concept of class discrimination.

Mr Rautz also presented the ‘South Tyrol’ model of solving internal conflict in northern Italy. Similarities regarding possibilities of solving Kashmir problem were drawn and were illustrated with examples. Various examples were cited of working towards political autonomies, political segregation and integration.

In his conclusion Mr.Gunther asked the students of Dev Samaj College to help in the phase of confidence building while working as the teachers of tomorrow. This will go a long way in constructing a society free of the

evil of class discrimination. The lecture was followed by a question answer session.

3. INNOVATIONS IN CURRICULAR DESIGN AND TRANSACTION:

This year we attempted to bring uniformity in the curriculum design of the three universities of the region.

Two Day Workshop on Uniformity In B.Ed Syllabus In Three Universities

The college has the honour of organising a two day workshop on “Uniformity in B.Ed syllabus in three universities namely Panjab University, Chandigarh, Punjabi University, Patiala and Guru Nanak Dev University, Amritsar was held on 20th 21st April, 2007 as per the instructions of DPI colleges ,Punjab. The main purpose of the workshop in to bring uniformity in the Bed syllabus in all the three universities so that students should not suffer if they go migrate from one university to another. The principals and experts from all the three universities attended the workshop.

Dr. Kanwarjit Singh, DPI Colleges , Punjab inaugurated the workshop. Dr.J.N. Joshi, Chairman, Jan Shikshan Sansthan & an Eminent Educationist, Dr. Raj Gupta. Chairperson, Department of Education, Panjab University and Dr. J. S. Dhillon, Dean Faculty of Education, Guru Nanak Dev University, Amritsar were also invited in the workshop to contribute in revising the Bed curriculum.

Dr. (Mrs) Satinder Dhillon, Principal of the college, welcomed all the delegates from the three universities. In the introductory speech, she emphasized the uniformity in Bed syllabus of the three universities which will be of great benefit for the students, as the students suffer a lot when they migrate from one university to another. In the inaugural session, Prof. Joshi while addressing the participants highlighted on the need to have a fresh look on quality of education. He also said that quality

education is must for a society to progress. Certain teaching skills are the pre requisites for good teachers and these should be included in Bed Curriculum. Dr. Kanwarjit Singh during his brief talk stressed that the Criteria for evaluation regarding internal as well as external assessment should have uniformity so that candidate may not face any discrimination during the time of placement.

4.INTER-DISCIPLINARY PROGRAMMES STARTED:

Various subjects proliferate under one major discipline EDUCATION in the college and some of the inter-disciplinary programmes started this year were:

CAPACITY BUILDING

One of the main objectives every year is to take the prospective teachers through a process of equipping them with the understanding and skills and access to information, knowledge and training enabling them to perform effectively in the teaching profession. This process not only enables them to build their own capacities but also the management of relationships between the different organizations and stakeholders of education. Through the activities organized for the prospective teachers it is intended to build their capacities enabling them to be empowered teacher. This year we worked along these following lines:

NATIONAL INTEGRATION WEEK

5.EXAMINATION REFORMS IMPLEMENTED:

1. Every year the college conducts two house tests every year, one in the month of January and other in April. They are based on external examination pattern. It is compulsory to appear in both the tests and 20 marks internal assessment is based on the basis of performance of house tests, class tests and assignments in each paper.
2. It is compulsory for every student to get a minimum of 40% marks in each of the house tests. The students are informed about this right in the beginning of the session and as such this is informed in the college prospectus.
3. There is a fair degree of seriousness among the students about the system of examination.
4. The students who don't secure required marks are given another chance in exceptional circumstances. Any student, who fails to appear in any of the examination papers, for whatever reason, are not entitled to annual academic prize.
5. Apart from the house exams, snap tests are a regular feature of the college.

6. The system of evaluation is continuous and comprehensive. Formative and summative evaluation forms integral part of evaluation.
7. Remedial classes are arranged for the students who poorly perform in house tests.
8. The evaluation method is communicated to the students at the beginning of the year, the details of which are given in the prospectus also.
9. At least 75% attendance is essential to appear in the annual examination and the students having more than 75% are given weight age in internal assessment.
10. Internal assessment of the students is done every month on the basis of class test/ house test and participation in co-curricular activities.
11. As a result, each and every student gets due recognition and they get motivated to participate and perform well to in pursuit of excellence.

26. ACTIVITIES AND SUPPORT FROM THE ALUMNI ASSOCIATION:

The alumni association (SANGAM) of the college is very active and supports the college in all its endeavours. It was formed in 2000-2001. Every year more and more members are added. This year the alumni meet was celebrated with grand fervour.

Sangam - Silver Jubilee Alumni Meet

The Silver Jubilee alumni meet started with lighting of the lamp by the students of the Silver Jubilee batch of the college along with Kumari Satyawati ji, Chairperson of Dev Samaj College of Education and Dr Satinder Dhillon, Principal. Welcoming over a hundred old students, Dr Mrs. Satinder Dhillon, Principal along with the members of the faculty congratulated them for being successful in their profession. Visibly emotional, Dr Mrs. Satinder Dhillon thanked the alumni as it was their success which brought laurels to the institution in twenty five years.

Kumari Satyawati ji also addressed the gathering and showered them with blessings.

On this occasion the alumni association was appropriately named “SANGAM”. Releasing the placard, the chairperson, Kumari Satyawati ji and Dr Satinder Dhillon remarked that the alumni association is a SANGAM of old, present and future students of Dev Samaj College of Education. Later, the gathering interacted and networked to chalk out the future plans of the alumni association. A Sumptuous lunch and endless cups of tea also added to the fun-filled program.

27. ACTIVITIES AND SUPPORT FROM THE PARENT-TEACHER ASSOCIATION:

The tradition of Dev Samaj is to respect and celebrate every relation and so is the relationship between parents and children. This day is celebrated is Mat-Pita Santan Diwas.

Mat Pita Santan Diwas

Mat Pita Santan Diwas is a unique way of celebrating parent’s day, a regular annual feature of the college which was celebrated on 22nd April, 2007. The purpose of this function is to pay tribute to the hard work and sacrifice of the devoted parents who provide guidance, support, and unconditional love to their children. As a child's first teachers, mentors, and role models, parents shape the character of those who will help to build the future of our Nation. Mothers and fathers help kindle imaginations, inspire a love of learning, nurture the formation of young minds, and give children the courage and the drive to realize their dreams.

By instilling in children the difference between right and wrong, parents guide their children toward developing into successful adults and responsible citizens who lead lives of purpose.

The programme started with the welcome speech by Dr.Mrs. Satinder Dhillon, principal of the college. She welcomed the parents, the chief guest Prof. R.C Sobti. Vice Chancellor, Panjab University, Chandigarh. Kumari Satyawati ji, Chairperson of the college, Mr. M.S.Bains, Director, NSS Panjab University and Sh. B.D.Budhiraja, Dean College Development Council, P.U. were also present on the occasion. In her brief address, the principal thanked the parents for gracing the occasion. She also expresses her views regarding her own worthy parents who were associated with Dev Samaj Society. She paid gratitude to her parents saying that whatever she is today is only because of their blessings.

Prof. R.C Sobti lit the deepshikha and the program started with the Bhajan titled “ Shradha Bhajan Mat Pita ji” sung by members of the faculty and students of the college. A skit “ Santaan” was also performed by the college students that was based on the irresponsible attitude of present generation towards their parents as that they don’t realize the selfless sacrifices made by their parents but in their old age when they need them the most are sent to old age homes. The message of the skit was to make the present generation realize their duties towards parents. The participants of the skit were Mandeep, Karamjit, Gurdaman, Jagjit, Namrata and Shilpa. Self composed poems were also recited on this occasion by Prashansa and Karamjit of B.Ed titled “Ahsaan” and “Tusi Mere Layi Ki Kuch Kita”.Through these poems they paid gratitude to their parents.Many students expressed their inner feelings by recalling the sacrifices made by their parents at their difficult times. Two more Group

Bhajans “Mat Pita ka Pyar Anokha” and Mat Pita ki Sewa Mehsoos Kar Rahin Hoon” were also sung by the students of the college.

Prof. R.C Sobti, the chief guest, in his brief address said that many of us have had fortunate lives, but although we have been born in fortunate places we can tend to take a lot for granted. We didn't think about it, we took our mother and father for granted. And we could not realise what they had to sacrifice, what they had to give up in order to take care of us. It's only when we are older and have given up things for the sake of our own children or somebody else that we begin to appreciate and feel grateful to our parents. He said that parents should be respected and obeyed by children. All parents are well wishers of children. He further emphasized that now a days everybody, whether he is parent, a child, a student or a teacher needs to rethink about his duties as we are going away from our cultural values. One should say such words which are really imbibed in him or her, not just for the sake of speech.

Prof Sobti gave away tokens of appreciation to the students who participated in the various items. In the end children garlanded their parents as a gesture of gratitude, love and respect for their parents.
