ABOUT THE E-COURSE:

The outbreak of COVID 19 has resulted in a paradigm shift in Education. Online classes are the need of the hour to sustain our Education System, especially in the wake of the outbreak of the pandemic. The 21st century has been rightly termed as the digital era. With the internet bringing a substantial change in human life, we are heavily dependent on the usage of technology to even complete simple tasks. The E-Education has certainly ignited the teaching sector. The E-course on 'DIGITAL TEACHING LEARNING' aims to develop those skills among prospective teachers which are very much required for their personal and professional development.

COURSE OBJECTIVES:

The objectives of this course are:

- To acquaint the participants with the nature & concept of e-resources.
- To familiarize with various apps, softwares and tools for developing audio & video e-resources.
- To give insight in the process of developing audio and video e-resources.
- To develop competencies related to design, develop and deliver audio & video e- resources.

COURSE LEARNING OUTCOMES (CLO):

After the completion of the course the participants will be able to

- Create and share documents in Google docs
- Share and work in Google drive
- Create and manage Google classroom
- Make their own video recordings by using an open broadcast studio
- Edit the recordings using free software
- Upload videos on YouTube
- Create animations using online software
- Develop mind maps with the help of online software

DETAIL OF THE COURSE:

The course was started by Dev Samaj College of Education on the platform Moodle Gnomio (link: <https://elearninginstruction.gnomio.com>) as a Learning Management System. The registration process was started by filling the Google Form (link: <https://forms.gle/2cY5QrWyA99ZwtVy7>) given on the brochure. Initially, 60 students were registered through the link, and out of these 54 students joined Telegram Group (link: { <https://t.me/joinchat/SXQ84RoKDdjQd3tk3CVrfA>). Finally, 50 students were enrolled in the course.

The Overall course was delivered via Asynchronous Mode. The course was divided further into Seven days. Day wise content followed by Quiz and Assignment was provided to participants for each day by Resource Persons Dr. Anita Nangia, Dr. Seema Sareen, Dr. Ritu Mago and Ms. Shivani Sharma. Feedback for each day was also taken from the students in Feedback Form. The content was provided through Multimedia. Participants were allowed to discuss their doubts on Discussion Forums. Announcements were made as per the requirement in the announcement section as well as in the Telegram Group.

The fulfilling criterion for getting the certificate was the completion of 40% of Quiz and Assignments. Final Quiz was conducted on the last day to check the understanding of the concepts discussed throughout the course. 42 Students fulfilled the whole criterion and got the certificates.

Overall Feedback was also taken from the participants. Almost all the participants gave positive feedback and showed their interest in attending such types of courses again in the future.
