Dental Check-Up Camp - 26th December 2023

As part of the Seven Day NSS Camp, a dental check-up camp was successfully organized on 26th December 2023 in Buterla village. This initiative was conducted in collaboration with the prestigious **Dr. Harvansh Singh Judge Institute of Dental Sciences**. The primary objective of the camp was to provide free oral health consultations and raise awareness about the importance of maintaining proper oral hygiene among the villagers.

The camp witnessed enthusiastic participation, with over 260 residents availing themselves of the services offered. A team of skilled dental professionals conducted comprehensive oral health check-ups, offering advice on preventive care, treatment options, and healthy oral habits. Residents were also educated on the significance of regular dental visits and techniques for maintaining good dental hygiene, such as proper brushing and flossing.

In addition to the consultations, the dental team distributed educational pamphlets on oral health and demonstrated correct brushing techniques to attendees. The camp not only addressed immediate dental concerns but also emphasized the long-term benefits of proactive dental care.

The success of this initiative highlighted the positive impact of community outreach programs and the role of collaboration between institutions and organizations in addressing public health concerns. By reaching out to underserved areas like Buterla, the camp reinforced the commitment to improving health and well-being within the community.

This event served as a reminder of the importance of dental health as an integral component of overall health and set a benchmark for future health-related activities.

In collaboration with Dr. Harvansh Singh Judge Institute of Dental Sciences, a **dental check-up camp** was organized for the villagers in Buterla during Seven Day NSS Camp. Over 260 residents benefited from free oral health consultations, reinforcing the importance of oral hygiene.
